DUAL-LIGHT TACTICAL FLASHLIGHT ACCESSORIES

MAGNETIC CLIP

SKU # 598-XLMC

The magnetic clip fits around the body of the 598XL series lights. Simply slide the end of the flashlight through the circular opening of the clip and position it anywhere along the length of the light. The light can be rotated within the clip. The powerful magnet will support the light in any position.

CARBON-FIBER MULTI-ANGLE ADJUSTABLE HELMET MOUNT

SKU # 598-CFHM

Weighing only 1 oz. the multi-angle helmet mount's carbon fiber construction provides superior strength and functionality without affecting user capability. The mount can accommodate any flashlight with a 1" diameter body and provides 140° of angle adjustment to deliver hands-free illumination wherever the user turns their head. The CFHM can be attached to the brim of either side of the helmet or hard hat.

NESTING SAFETY CONES

Yellow - SKU # 598-XLNCY

Orange - SKU # 598-XLNCO

Safety cones are designed to fit any USB-598XL tactical series flashlight. Choose the cone color that best suits the mission requirement. Installs and removes in seconds. Control light intensity with high, medium, or low flashlight controls. By placing the cone over the end of the flashlight, the illuminated cone can be used to direct traffic and illuminate roadside hazards or provide a low light source when needed. When not in use, the cone can be removed, and the flashlight nested inside for storage.

USB-598XL SERIES HOLSTER

SKU# 598-XLH

Designed to accommodate any of the USB-598XL series flashlights and all of its accessories, the black MOLLE compatible 598 Holster is constructed of 1050 Denier Ballistic Nylon, is water resistant and has a 1/8" polyurethane foam interior padding.
